

FISCHER USA, INC.

The family run FISCHER Spindle Group, is a world leader in precise, fast and powerful rotation. We are a technology leader in precision spindle construction, milling head production and the construction of air compressors for fuel cell technology. At present, we have five worldwide locations. We are a partner of the leading machine builders and serve markets across the globe. In the United States, we employ around 70 people who ensure customer satisfaction through successful, innovative products and our outstanding service.

PRECISION MECHANICAL TECHNICIAN

FISCHER USA, INC.

YOUR MAIN TASKS

You may not have a degree, but you understand tight tolerance electro-mechanical assemblies. No one here will claim to know more about your craft than you do. In fact, we're looking for someone who will help us take our spindle repair department to the next level. Do you think you're up for it?

Send us your resume and let's talk.

Don't misunderstand, your expertise will be respected, but you won't be alone. This is a great team and you'll have all the support you need. So if this sounds interesting AND

YOUR PROFILE

- Detail oriented,
- Like troubleshooting technical mechanical problems, and
- You're looking for a first shift position

If you read this and thought, "I'm not as experienced as that" I have good news! We're willing to train the right candidate as well. Are you the right candidate?

- Do you like working with your hands?
- Are you good at math?
- Do you have some related experience? (working precision assemblies, on large or small engines, work on cars, motor cycles, race cars, roadsters, etc?)

WHY SHOULD YOU BECOME PART OF THE FISCHER GROUP?

FISCHER USA is a customer focused market leader of innovative service and design solutions for machine tools in the field of High Speed Spindle [HSS] systems. We are passionate about our work, inspired by the impact it has on our business and our customers. We offer great benefits (Medical, dental, etc.) as well as a profit sharing plan. You won't be disappointed, we're among the best.
