

Do you have a passion for working with your hands, solving complex mechanical challenges, and delivering precision-crafted results? Do you enjoy tackling technical challenges, working with cutting-edge equipment, and delivering results that exceed expectations? At FISCHER USA, we're looking for a Spindle Technician to join our team of innovators and craftsmen. In this role, you'll play a critical part in building, repairing, and testing high-performance spindles and related products. Your work will directly impact our reputation for quality and reliability, ensuring our customers receive the best in precision manufacturing. This is more than just a job—it's an opportunity to grow your skills, take pride in your work, and contribute to a team that values excellence, safety, and continuous improvement.

SPINDLE REPAIR TECHNICIAN

FISCHER USA, INC.

YOUR MAIN TASKS

As a Spindle Technician, You'll:

- Diagnose, repair, and test precision spindles and related components.
- Build and assemble parts to exact specifications using technical drawings and established procedures.
- Troubleshoot mechanical issues with speed and accuracy.
- Operate manual machine shop equipment (e.g., lathes, mills, drills, grinding machines) to ensure products meet tight tolerances.
- Maintain rigorous safety and quality standards while continuously improving processes.
- Collaborate with team members to meet production schedules and exceed customer expectations.

YOUR PROFILE

What We're Looking For Someone Who:

- Has a strong mechanical aptitude and excellent manual dexterity.
- Can read and interpret complex blueprints and technical drawings.
- 3–5 years of experience in precision machining, assembly, or inspection is helpful.
- Is detail-oriented, organized, and committed to delivering high-quality work.
- Thrives in a fast-paced environment and enjoys solving technical challenges.
- Communicates effectively and works well as part of a team.
- Bonus points for experience with spindle repair, balancing, or electromechanical systems—and German language skills!

What We Offer

At FISCHER USA, we believe in rewarding hard work and dedication. Here's what you can expect:

- Competitive Pay and Benefits: We value your skills and expertise.
- Growth Opportunities: Advance your career with specialized training and development.
- Flexible Scheduling: We want you to have what you need within a 40-50 hour workweek.
- Team Environment: Work alongside talented professionals who share your passion for quality.
- Meaningful Work: Take pride in contributing to products that set industry standards.

Ready to Join Us?

If you're driven, technically sharp, and ready to take ownership of your work, we want to hear from you!
Apply today and become part of a team where precision, craftsmanship, and innovation matter every day.

WHY SHOULD YOU BECOME PART OF THE FISCHER GROUP?

Why Join FISCHER USA?

- Be Part of Something Bigger: Work with a respected global leader in precision manufacturing.
- Craftsmanship Matters: Your attention to detail and technical expertise will be valued and celebrated.
- Grow Your Career: Take advantage of opportunities for training, development, and advancement.
- Collaborative Environment: Join a team that's passionate about quality, innovation, and teamwork.
