

Legal notice

Visitors to the FISCHER Spindle Group website hereby declare their consent to the following conditions:

Copyright

The entire content of the FISCHER Spindle Group website is copyright protected (all rights reserved). Downloading or printing of individual pages or sections of the FISCHER Spindle Group website is permitted, provided that no references to authors' rights ("Copyright") and no other statutorily protected designations or references are removed. If you download software or other data from the FISCHER Spindle Group website or duplicate it in any other way all proprietary rights are retained by FISCHER Spindle Group. The complete or partial reproduction, transfer (by electronic or other means), amendment, linking or use of the FISCHER Spindle Group website for public or commercial purposes is prohibited without the prior written consent of FISCHER Spindle Group.

Legal notice

The information contained in this website is of a general nature and is not intended to replace individual advice by experts in specific cases. For further information, please contact the persons and agencies named in the text.

FISCHER Spindle Group takes appropriate care to ensure the correctness, accuracy and completeness of the information which is reproduced.

However, gaps, inaccuracies or other faults may occur on this website due to the revision of existing laws, changed circumstances or technical errors. We therefore cannot give any assurances about the accuracy, topicality, reliability or completeness of the information contained on this website. In no case can FISCHER Spindle Group or any affiliated companies or their partners or personnel be held responsible for losses or damage of any kind arising from the use of this information; this includes direct, indirect or consequential damage arising from access to, or use and consultation of, the FISCHER Spindle Group website or from links to other websites, even if FISCHER Spindle Group has been advised of the possibility of such damage.

References and links

A number of links on the FISCHER Spindle Group website connect you to other websites. FISCHER Spindle Group accepts no responsibility for the content of linked sites. For illegal, defective or incomplete contents and, in particular, for prejudice caused by the unverified use of the contents of linked pages only the provider of the site to which reference was made is liable.

Please note

We treat all information and data notified to us, such as electronic addresses, in strict confidence. However, we must call your attention to the fact that the Internet is a communication instrument with public access in which data may be transferred without verification and across national borders
